**ELEMNT ROAM** 

KICKR BIKE simulates grade changes in real time, including downhill simulation that maintains wheel speed during descents.

# wahoo

	The KICKR BIKE flywheel and enhanced motor emulates the power and inertia experienced during outdoor riding. It	
REALISTIC RIDE FEEL	provides the most realistic ride feel especially when using virtual riding/training platforms like Zwift and The Sufferfest.	
RIDE READY	Always set up and ready to ride, KICKR BIKE offers the ultimate in convenience for those who want to ride as quickly as possible.	
CALIBRATION FREE	KICKR BIKE offers continuous accurate power and doesn't require calibration.	
POWERFUL CONNECTIVITY	Multiple Bluetooth connections available to ensure a trouble-free start to your workout.	
TRUE FIT	Tailor the fit of the KICKR BIKE to fit your body by adjusting standover height, saddle height, setback, reach and stack height.	
CUSTOMIZABLE COMPONENTS	Customize saddle, crank length, handlebars and pedals to dial in a perfect KICKA BIKE setup.	KICKR BIKE THE COMPLETE
VIRTUALLY SILENT OPERATION	KICKR BIKE offers a near silent indoor cycling experience.	
EXACT GEARING	Precisely replicate outdoor bike gearing configurations. Crankset and Cassette are fully customizable.	
+/- 1% POWER ACCURACY	Proven power accuracy up to 2200W.	INDOOR TRAINING SOLUTION
REAL TIME GRADE CHANGES	Inclines of up to +20% and declines of -15%.	
HEAD CONTROL UNIT WITH LED DISPLAY	Quick glance LED display informs the rider of current gear selection and manual tilt grade.	
SHIFTER CONFIGURATION	Match the shifter setup of your outdoor bike whether it be Shimano, SRAM or Campagnolo	Control of the second s
ANT+, ANT+ FE-C AND BLUETOOTH CONNECTIVITY	ANT+ and Bluetooth capabilities allow it to connect to both smartphones and GPS devices simultaneously or separately. An ANT+ FE-C connection allows the KICKR BIKE to be controlled from any FE-C enabled device or application.	
PROFESSIONAL GRADE DURABILITY	Robust aluminum and steel construction ensures the KICKR BIKE stays in place while you crank out the watts and stands up to years of heavy use.
